Stereophonics, A Minute Longer

They're calling out Come on lets go But I'm miles away To a year before Laughs from a glass Drank to the past On the old green seat Like velvet to the hand

Think I'd like to stay a minute longer Would you like to stay a minute longer?

Last one for some Sick from the rum I played golf on the carpet with someone

Crash back to date Few things I hate But I'd rather us live In the present day

Think I'd like to stay a minute longer Would you like to stay a minute longer? If you'd like I'd stay for a minute longer As longer Longer

(repeat to fade)
