

Stereophonics, Do Ya Feel My Love?

What's mine is yours
I'm knockin' at your door, just answer me
I can't breathe
I'd give to you
My heart and soul, but you'd just take from me
What you need
But if I lost it all
And if I had to crawl and beg
Would ya help me back?
Do ya feel my love? Do ya?
Do ya feel my love? Do ya, today?
Today
Do ya feel my love? Do ya?
Do ya feel my love? Do ya, today?
Today
The time that we shared
Was the time that we cared, but something's changed
Nothing stays the same
So now, what now?
You left me fallin' down and walked away
But that's okay
'Cause I won't lose it all
And I will never crawl and beg
So I won't need your help
Do ya feel my love? Do ya?
Do ya feel my love? Do ya, today?
Today
Do ya feel my love? Do ya?
Do ya feel my love? Do ya, today?
Today
Woo
If I lost it all
Would you help or make me crawl?
Oh, today
Today
C'mon tell me, do ya feel my love? Do ya?
Do ya feel my love? Do ya, today?
Yeah, today
C'mon tell me, do ya feel my love, babe?
Do ya feel my love, babe, today?
Oh, today
C'mon tell me, do ya feel me? D'ya need me?
D'ya feel me? D'ya need me, today?
Oh, today, yeah, yeah, yeah, yeah, yeah
