

# Stereophonics, I Wouldn't Believe Your Radio

Travelling through a tunnel under sea  
You never know if it cracks in half  
you're never ever gonna see me

But you can have it all if you like  
You can have it all if you like  
And you can pay for it the rest of your life

I wouldn't believe your wireless radio  
If i had myself a flying giraffe  
I'd have one in a box with a window

But you can have it all if you like  
You can have it all if you like  
And you can pay for it the rest of your

Life in the summers on its back  
You have to agree that thats the crack  
So take what you want  
I'm not coming back

So you can have it all if you like  
you can have it all if you like  
and you can pay for it the rest of your life
