

# Stereophonics, Maybe

Maybe one thing,  
Maybe something,  
Maybe nothing,  
All I know is friend, it's nothing new.

Maybe it's me,  
What is to be,  
Maybe lucky,  
All, I ask is where we're supposed to be.

I give a lot,  
I take a lot,  
It's nothing new to me.

Maybe you've grown,  
Am I so wrong,  
How long's too long,  
All I want is stuff to be happy.

Maybe moving,  
Always proving,  
Am I losing,  
All that's meant to be, that's meant to be.

You hear a lot,  
You told a lot,  
It's nothing new to me.

Maybe laughing,  
Something lacking,  
Always sometimes,  
All I hear is how, it's meant to be.

Maybe learning,  
Always searching,  
Am I asking things,  
I'll know too soon, I'll know too soon.

We talk a lot,  
Don't do a lot,  
It's nothing new to me.

I give a lot,  
I take a lot,  
It's nothing new to me.
