

Stereoside, Always Remember

I know what your thinking
And you really shouldn't think that
(Well I'm not strong and I can't go on)
Well you gotta reach down and dig deeper(x2)
Always remember and never forget
Well your in battle well you just can't quit(x2)
You gotta be a soldier
I know where your going
And you really shouldn't go there
(Well I'm beat down and I'm broken)
Well you gotta reach down and dig deeper(x2)
Well you gotta be a soldier
If you wanna live (oh yea)
Well you've gotta be a soldier, a soldier yea
