

Steve Aoki & Darren Criss, Crash Into Me

you've got your part
you've got your chain
tied to me tight
tied me up again

who's got their claws
in you my friend?
into your heart I'll be again

sweet like candy to my soul
sweet you rock
and sweet you roll

lost for you
I am so lost for you

you come crash into me
baby, and I come into you
I come into you

crash into me crash into me
crash into me crash into me
crash into me

touch your lips just so I know
in your eyes, love
it glows so

so I am bareboned and crazy
for you

if I've gone overboard
then I am begging you
to forgive me

In my haste
when I am holding you so
girl close to me

and you come crash into me
baby, and I come into you
I come into you

crash into me crash into me
crash into me crash into me
crash into me
