

Steve Brookstein, Hang On In There Baby

We can't help but make it
Now that we've caressed a kiss so warm and tender
I can't wait till we reach that sweet moment of surrender
We'll hear the thunder roar, feel the lightning strike
At a point we both decided to meet at the same time tonight

Hang on in there baby, hang on in there darling
I'm gonna give you more than you ever dreamed possible

Don't be afraid baby
Sweet virgin of the world
We can't help but make it
'Cos there's true love between us girl
So let us touch that cloud
Every girl dreams of
We're almost there darling, we're truly making love

Hang on in there baby, please don't let me down
Please don't destroy this new joy we've found

What's that now baby, what's that you're saying
Something's eating at you baby
It's about to get away
Don't fight it baby open up the door
'Cos that's the key to the freedom
That we've both been working for
Let it go baby, let it go darling
Right there, right there
Baby don't you move it don't you dare
Go baby let it go darling oh right there right there
Baby Don't you move it don't you dare

Hang on in there baby
Please don't let me down (to end)
