

Steve Brookstein, We've Only Just Begun

We've only just begun to live
White lace and promises
A kiss for luck and we're on our way

Before the rising sun we fly
So many roads to choose
We start our walking
And learn to run
And yes! We've just begun

Sharing horizons that are new to us
Watching the signs along the way
Talking it over just the two of us
Working together day to day, together

When the evening comes we smile
So much of life ahead
We'll find a place where there's room to grow
We've only just begun

Sharing horizons that are new to us
Watching the signs along the way
Talking it over just the two of us
Working together day to day, together
Together

And when the evening comes we smile
So much of life ahead
We'll find a place where there's room to grow
Yes we've only just begun
We've only just begun
