

# Steve Earle, A Little Bit In Love

I don't fall in love as a rule  
Because it always makes me look like a fool  
Well, it keeps me up late  
I can't concentrate  
And I pride myself on keepin' my cool  
But I got to admit  
I'm just a little bit in love with you

Now, I don't want you gettin' me wrong  
Because I don't sit up at night by the phone  
Well, if you come around  
I let my guard down  
And I just can't seem to leave you alone  
But I'll get over it  
I'm just a little bit in love with you

Well, I tell myself that a little bit of love

Can't hurt a big man like me  
But I never have heard of a little heart ache  
And baby, that's what's scarin' me

So don't you get your hopes up if I call  
Because I always catch myself when I fall  
But I got to admit  
That I'm a little bit in love with you

So don't you get your hopes up if I call  
Because I always catch myself when I fall  
But I got to admit  
That I'm a little bit in love with you

Oh, honey, that's all you get  
I'm just a little bit in love with you
