

# Steve Earle, Fearless Heart

Don't you worry bout what you've been told  
Cause honey I ain't even close to cold  
It's kinda soon to fall in love again  
But sometimes the best that you can do is just jump back in  
I got me a fearless heart  
Strong enough to get you through the scary part  
It's been broken many times before  
A fearless heart just comes back for more  
Folks'll tell you that I'm just no good  
But I wouldn't hurt you honey if I could  
I can't promise this'll work out right  
But it would kill me darlin' if we didn't even try  
I admit I fall in love a lot  
But I nearly always give it my best shot  
I know you must think I'm the reckless kind  
But I want a lady with a fearless heart just like mine
