Steve Earle, Harlan Man

I'm a Harlan Man Went down in the mine when I was barely grown It was easy then Cause I didn't know what I know now But I'm a family man And it's the only life that I've ever known But I'm a Harlan Man Just as long as my luck and lungs hold out I'm a mountain man Born in east Kentucky and here I'll stay And if it's the good Lord's plan I'll wake up in the mornin' and find I'm lookin' at the end Of another long week and I can draw my pay Cause I'm a Harlan Man Never catch me whinin' cause I ain't that kind I'm a union man Just like my daddy and all my kin I took a union stand No matter what the company said I got me two good hands And just as long as I'm able I won't give in Cause I'm a Harlan Man A coal minin' mother til the day I'm dead
