

# Steve Earle, Hurtin' Me, Hurtin' You

Here I am, out in the rain  
I know I can't ever wash out the pain  
I never meant to be cruel or untrue  
I'm just hurtin' me when I'm hurtin' you  
Girl I won't say, I'm hurtin' more  
I know that you've heard all that before  
So go on believe what you wanna believe  
But I'm hurtin' you then I'm hurtin' me  
I know it's hard to keep hanging on  
You think that I hold all of the cards; I know you're wrong  
And girl just like me, you ain't got a clue  
I'm just hurtin' me when I'm hurtin' you  
You know I love you baby  
God only knows that I do  
I know I've been bad baby  
I never, ever meant to be bad to you  
I never meant to be cruel or untrue  
I'm just hurtin' me when I'm hurtin' you
