

Steve Earle, I'm Looking Through You

I'm lookin' through you where did you go
I thought I knew you what did I know
You don't look different but you have changed
I'm looking through you you're not the same
Your lips are moving I cannot hear
Your voice is soothing but the words aren't clear
You don't sound different I've learned the game
I'm looking through you you're not the same

BRIDGE

Why tell me why did you not treat me right
Love has a nasty habit of disappearing over night
You're thinking of me the same old way
You were above me but not today
the only difference is you're down there
I'm looking through you and you're nowhere
