

# Steve Earle, Nothin' Without You

I'm the keeper of your heart  
I keep the flame when we're apart  
I'm the lover in your arms  
Or a baby soft and warm  
I'm a hero in your eyes  
I'm a comfort when you cry  
When you hurt me I'm your fool  
But I'm nothin' without you

(CHORUS)

No I'm nothin' without you  
It don't matter what I do  
If I win or if I lose  
Sweetheart I'm nothin' without you  
I'm a beacon in the night  
To show the way until it's light  
I'm a stumbler in the dark  
When I can't say what's in my heart  
I'm a poet just the same  
Every time I speak your name  
I'm just a shadow when I'm blue  
But I'm nothin' without you

(CHORUS)
