Steve Earle & The Dukes, A Little Bit In Love

I don't fall in love as a rule
Because it always makes me look like a fool
Well, it keeps me up late
I can't concentrate
And I pride myself on keepin' my cool
But I got to admit
I'm just a little bit in love with you

Now, I don't want you gettin' me wrong Because I don't sit up at night by the phone Well, if you come around I let my guard down And I just can't seem to leave you alone But I'll get over it I'm just a little bit in love with you

Well, I tell myself that a little bit of love

Can't hurt a big man like me But I never have heard of a little heart ache And baby, that's what's scarin' me

So don't you get your hopes up if I call Because I always catch myself when I fall But I got to admit That I'm a little bit in love with you

So don't you get your hopes up if I call Because I always catch myself when I fall But I got to admit That I'm a little bit in love with you

Oh, honey, that's all you get I'm just a little bit in love with you
