

Steve Earle & The Dukers, Before They Make Me

Worked the bars and sideshows along the twilight zone
Only a crowd can make you feel so alone
And it really hit home
Booze and pills and powders, you can choose your medicine
Well here's another goodbye to another good friend

After all is said and done
Gotta move while it's still fun
Let me walk before they make me run
After all is said and done
I gotta move, it's still fun
I'm gonna walk before they make me run

Watched the taillights fading, there ain't a dry eye in the house
They're laughing and singing
Started dancing and drinking as I left town
Gonna find my way to heaven, 'cause I did my time in hell
I wasn't looking too good but I was feeling real well

After all is said and done
I gotta move I had my fun
Let us walk before they make me run

After all is said and done
I did alright, I had my fun
I will walk before they make me run
