

# Steve Earle & The Dukes, I Can Wait

In the blink of an eye  
Stars'll fall from the sky  
No one even notices  
If you think it'll help  
I can walk out myself  
And we won't have to go through this  
If I pretend to hold you tight  
And out on the highway late some night  
That's all right  
If that's all that it takes  
Even if my heart breaks  
Darlin' I can wait

I have nothin' but time  
And this poor heart of mine  
Probably could use some rest  
When the ghosts are all gone  
You can leave your light on  
Shinin' through the loneliness  
Just like a beacon in the night  
Brighter than any star in sight  
But that's all right  
For as long as it takes  
For that mornin' to break  
Darlin' I can wait

Out where the mountains meet the sky  
Feelin' so lonesome I could cry  
But that's all right  
'Cause all the signs say  
You'll call me someday  
Darlin' I can wait
