

Steve Earle & The Dukes, More Than I Can Do

I'm trying hard to let you go
But it's more than I can do
And every day or two
I wind up right back where I started
I'm trying not to let you know
That I'm still in love with you
I can't just sit home blue
'Cause there ain't no rest for the brokenhearted

Just because you won't unlock your door
That don't mean you don't love me anymore
No matter what you do
Because you know it's more than I can do

You told me that I got to stop
But it's more than I can do
And that ain't nothing new
'Cause we both know that I'm crazy about you

You said you're gonna call the cops
But I ain't gonna run
Because you're the only one
There ain't no way I could live without you

You left me just when I needed you
So I ain't even close to through with you
