## Steve Earle & The Dukes, Nothin' Without You

I'm the keeper of your heart I keep the flame when we're apart I'm the lover in your arms Or a baby soft and warm I'm a hero in your eyes I'm a comfort when you cry When you hurt me I'm your fool But I'm nothin' without you

## (CHORUS)

No I'm nothin' without you It don't matter what I do If I win or if I lose Sweetheart I'm nothin' without you

I'm a beacon in the night To show the way until it's light I'm a stumbler in the dark When I can't say what's in my heart

I'm a poet just the same Every time I speak your name I'm just a shadow when I'm blue But I'm nothin' without you

(CHORUS)
