Steve Earle & The Dukes, Time Has Come Today

(Joseph Chambers, Willie Chambers)

Time has come today
Young hearts can go that way
Can't put it off another day
I don't care what others say
They say we don't listen anyway
Time has come today
The rules have changed today
I have no place to stay
Thinking about the subway
The love has flown away
My tears have come and gone
Oh my lord, I have to roam
I have no home
I have no home

Now the time has come No place to run I might get burned up by the sun But I had my fun

I've been loved and put aside I've been crushed by tumbling tide And my soul has been psychedelicized

Now the time has come There are things to realize Time has come today Time has come today Time
