

Steve Fee, Here I Am For You

Can I sit with You awhile
Can You hold me I'm Your child
Can I come to You with words so few and rest inside Your arms
Can I sit with You awhile

Can I listen to Your heart□□
Can I feel it beat with mine
I've come to love the way You cover me with who You are
Can I listen to Your heart

What better friend what better father
No greater King no other Savior
My only God my perfect lover
Here I am for You
