

Steve Fee, What Else Can I Do

Your love for me is a healing comfort for me
Your grace to me is a matchless gift to me
Your power in me is a mighty river in me

At the end of the day with the setting of the sun
After all is said and done

What else can I do but worship
What else can I do but bow
'Cause all I really long for is You
And all I really yearn for is You

Your sovereignty is a sure foundation for me
Your care for me is enduring peace in me
Your hope in me brings a sweet surrender to me
