

Steve Forbert, I Blinked Once

the basic chord pattern for the verses in any key 1 is

1 - 4 - 1, 5 - 1, 1 - 4 - 1, 4 - 5 - 1

use a capo at the 2nd or 3rd fret and use these chords (D)

I think Steve capo's at three on the Be Here Now CD

(D)Childhood often seemed a (G)pain to (D)me
so hard (A)waiting to be (D) grown
(D) childhood climbed up in a (G) white oak (D)tree
(G)I blinked (A)once and it was (D)gone

Airplane flyin across the midnight sky
His tiny lights blinked off and on
I watched 'im move across the moon on high
I blinked once and it was gone

A girl I'd met was all I cared for , friends
I called her my very own
We went down to hear the band begin
I blinked once and she was gone

gone gone I blinked once and it was gone
I won big money on the gamblin wheel
And I thought i's sittin on a throne

I blinked once and It was gone
gone gone I blinked once and it was gone

the nineteen seventies was ten long years
