

# Steve Forbert, Song For Katrina

Capo 2.fret?

G C C/B  
You sure looked good bound for Shilburn Town  
G C C/B Am  
Tryin' to drive the car while the rain came down

And you sure looked fine  
D  
Yeah Readin' highway signs

And you sure looked good up on Crystal Beach  
Reelin' in them fish with your hair all bleached  
And you sure looked fine.  
Oh, yeah with your hooks and line.

La da di da dum La da di da day  
Every move you make, everything that you say.  
You sure are fine  
Oh yeah and you blow my mind

And you sure looked good out at Rainbow Falls  
Pass the parking lots and the crowded malls, yeah  
And you sure looked fine  
Yeah, underneath them pines

La da di da dum La da di da day  
Every move you make, everything that you say  
You sure are fine  
Oh, yeah and you blow my mind

You sure look good down in ol' Canton  
With your new blue dress and your lipstick on  
And you sure look fine  
Yeah drinkin' cheap red wine

And you sure look good down in "Meisha-shay"  
With your reindeer eyes upon christmas day  
And you sure looked fine  
Oh babe like a valentine

La da di da dum La da di da day  
Every move you make, everything you say  
Well you sure are fine  
Oh yeah and you blow my mind
