

Steve Forbert, Suspicion

VERSE

Every time you kiss me
I'm still not certain that you love me
Every time you hold me
I'm still not certain that you care
Though you keep on saying
You really, really, really love me
Do you speak the same words
To someone else when I'm not there?

CHORUS

Suspicion--torments my heart
Suspicion--keeps us apart
Suspicion--why torture me?

VERSE

Every time you call me
And tell me we should meet tomorrow
I can't help but think that
You're meeting someone else tonight
Why should our romance
Just-a keep on causing me such sorrow?
Why am I so doubtful
Whenever you care out of sight?

(REPEAT CHORUS)

VERSE

Darling, if you love me
I beg you, wait a little longer
Wait until I drive
All these foolish fears out of my mind
How I hope and pray
That our love will keep on growing stronger
Maybe I'm suspicious
'cause true love is so hard to find
