

Steve Hillage, It's All Too Much

It's all too much, It's all too much

When I look into your eyes, your love is there for me
And the more I go inside, the more there is to see

It's all too much for me to take
The love that's shining all around you
Everywhere, it's what you make
For us to take, it's all too much

Floating down the stream of time, of life to life with me
Makes no difference where you are or where you'd like to be

It's all too much for me to take
The love that's shining all around here
All the world's a birthday cake,
So take a piece but not too much

Sail me on a silver sun, for I know that I'm free
Show me that I'm everywhere, and get me home for tea

It's all too much for me to see
A love that's shining all around here
The more I am, the less I know
And what I do is all too much

It's all too much for me to take
The love that's shining all around you
Everywhere, it's what you make
For us to take, it's all too much

It's too much.....It's too much

with your long blonde hair and your eyes of blue(x2)
you're too much
mumblings

Too much too much too much
