

Steve Hillage, The Salmon Song

Ooh yeh, the Salmon swimming up the stream of time
Leaping up the Falls of Man, to the source of Love and Light
Guided from Atlantis to the Water-Bearer's jar.
Far out-nearerin-and back to where We Are. (Hello!)

You know the way to Be
You know the way to Be
You know the way to Be
Ah ah-we're getting nearer
Nearer to the Water Bearer
Ooh we're getting nearer
We're swimming, swimming, swimming with the Salmon
(Ooh! yr. swimming with the Salmon)

Salty Salmon Solomon Seal,
