

Steve Miller Band, Children Of The Future

(Steve Miller)

We are children of the future
Wonder where this world is going to, going to
We are children of the future
Wonder what in this world we are going to do, going to do

When they get high
They can see for miles and miles
When I get high
I can see myself for miles

You know I've got something that you can use
It takes a little bit of lovin'
A little bit of huggin'
A little bit of lovin'
A little bit of huggin

And if you don't think that you can find
And if you don't think that it's peace of mind
