

# Steve Miller Band, Don't Let Nobody Turn You Ar

(Steve Miller)

Well don't you let nobody turn you 'round  
Turn you 'round, turn you 'round  
Well don't you let nobody turn you 'round  
You got to keep on walkin', keep on talkin'  
Marchin' to the freedom land

Well don't you let nobody turn you 'round  
Turn you 'round, turn you 'round  
Well don't you let nobody turn you 'round  
You got to keep on walkin', keep on talkin'  
Marchin' to the freedom land

Well don't you let the policeman turn you 'round  
Turn you 'round, turn you 'round  
Well don't let the policeman turn you 'round  
You got to keep on walkin', keep on talkin'  
Marchin' to the freedom land

Well don't let the politician turn you 'round  
Slow you down, slow you down  
Well don't let the politician slow you down  
You got to keep on walkin', keep on talkin'  
Marchin' to the freedom land

Well don't you let the army general burn the world  
Burn the world, burn the world  
Well don't let the army general burn this world  
You got to keep on walkin', keep on talkin'  
Marchin' to the freedom land

Well don't you let nobody turn you 'round  
Turn you 'round, turn you 'round  
Well don't you let nobody turn you 'round  
You got to keep on walkin', keep on talkin'  
Marchin' to the freedom land
