

Steve Miller Band, Don't Let Nobody Turn You Ar

(Steve Miller)

Well don't you let nobody turn you 'round
Turn you 'round, turn you 'round
Well don't you let nobody turn you 'round
You got to keep on walkin', keep on talkin'
Marchin' to the freedom land

Well don't you let nobody turn you 'round
Turn you 'round, turn you 'round
Well don't you let nobody turn you 'round
You got to keep on walkin', keep on talkin'
Marchin' to the freedom land

Well don't you let the policeman turn you 'round
Turn you 'round, turn you 'round
Well don't let the policeman turn you 'round
You got to keep on walkin', keep on talkin'
Marchin' to the freedom land

Well don't let the politician turn you 'round
Slow you down, slow you down
Well don't let the politician slow you down
You got to keep on walkin', keep on talkin'
Marchin' to the freedom land

Well don't you let the army general burn the world
Burn the world, burn the world
Well don't let the army general burn this world
You got to keep on walkin', keep on talkin'
Marchin' to the freedom land

Well don't you let nobody turn you 'round
Turn you 'round, turn you 'round
Well don't you let nobody turn you 'round
You got to keep on walkin', keep on talkin'
Marchin' to the freedom land
