

Steve Miller Band, High On You Mama

(Steve Miller)

Don't you know that I'm high on you mama
Don't you know that I'm high on you girl
Don't you know that I'm high on a feeling
Don't you know that I'm high cause you're here
Don't you know that I'm way up on a mountain
Don't you know that I'm way up in the air
Don't you know that I'm high on the sunshine
Don't you know that I'm high cause you care

I'm high
Don't you know that I'm high
Don't you know that I'm high
High, high, high
On you mama

Don't you know that I'm high on you mama
Don't you know that I'm high on you girl
Don't you know that I'm high on a feeling
Don't you know that I'm high cause you're here
Don't you know that I'm way up on a mountain
Don't you know that I'm way up in the air
Don't you know that I'm high on the sunshine
Don't you know that I'm high cause you care

I'm high
Don't you know that I'm high
High, high, high

Don't you know that I'm high
Don't you know that I'm high
Don't you know that I'm high
Don't you know that I'm high
