

# Steve Miller Band, Let Me Serve You

(Steve Miller)

Oh baby, don't you want a man like me  
Oh baby, don't you want a man like me  
Think about your future  
Forget about your used to be

Just a little bit of rock  
Just a taste or two of roll  
I'll give you sweet inspiration  
Till it satisfies your soul

Oh baby, don't you want a man like me  
Let me serve you pretty baby  
Serve you until you're free

Let me serve you in the morning  
Let me serve you in the afternoon  
I want to love you pretty mama  
Underneath the silvery moon

Oh baby, don't you want a man like me  
Let me serve you pretty baby  
Think about what could be  
Yeah, yeah, yeah, yeah, yeah.....
