

Steve Miller Band, Nobody But You Baby

(Steve Miller)

I don't want nobody to tell me 'bout what to do
Nobody to tell me 'bout me and you
Nobody to tell me 'bout what to do
Nobody to tell me 'bout me and you
Oh baby, nobody but you, baby
Nobody, nobody but you, baby
Nobody

Baby, when I see you walking down the street
Baby, I can tell we're on a winning streak
Nobody can tell me 'bout what to do
Cuz baby I know that your love is true
Oh baby, nobody but you, baby
Nobody, nobody but you, baby
Woo, nobody, nobody but you, baby
Nobody, nobody but you, woo baby
Nobody

Baby, when I see you walkin' down the street
Baby, I can tell we're on a winning streak
Nobody can tell me 'bout me and you
Cuz baby I know that your love is true
Woo baby, nobody but you, baby
Nobody, woo baby, nobody but you, baby
Woo nobody, nobody but you, baby
Nobody, nobody but you, baby
