

Steve Miller Band, Who Do You Love

(Steve Miller and Tim Davis)

Whoooooo
Whoooooo
Ever since time began
Man loves a woman
Woman loves a man
This is the way it was meant to be
Through the pages, through the books
Of our history

You, you, you
Who do you love, who do you love, who do you love, now
You, you, you
Who do you love, who do you love, who do you love

One and one and one are three
I love you, do you love me
This is the place, now is the time
Give me your love, and I'll give you mine

You, you, you
Who do you love, who do you love, who do you love, now
You, you, you
Who do you love, who do you love, who do you love

This is simple, and it's true
There's a shining light all around you
You're the one, you're the fire
You can make it higher and higher

This is the place, now is the time
Tell me now darlin', will you be mine

You, you, you
Who do you love, who do you love, who do you love

Put your arms around me
Ah, hold me tight
Ah, cuddle up darlin'
Ah, in the still of the night
Ah, you are the one
Ah, that I adore
Ah, you are the one that I love so well

This is the place, now is the time
Tell me now darlin', will you be mine

You, you, you
Who do you love, who do you love, who do you love, now
You, you, you
Who do you love, who do you love, who do you love, now
You, you, you
Who do you love, who do you love, who do you love, now
You, you, you
Do you love me, do you love me, do you love me, now
You, you, you
Who do you love, who do you love, who do you love
