

# Steve Miller Band, Wish Upon A Star

(Steve Miller)

Close your eyes  
Rest your head  
Let your spirits rise  
Sleepy head  
Rest your mind  
It's been well fed  
You can be what you want to

And it doesn't matter who you are  
It doesn't matter where you are  
If you wish upon a star  
If you wish upon a star

And it doesn't matter who you are  
It doesn't matter where you are  
If you wish upon a star  
If you wish upon a star

Close your eyes  
Say goodnight  
Hug your lover  
Real tight  
Let your dreams  
Into your heart  
Let your dreams take flight

And it doesn't matter who you are  
It doesn't matter where you are  
If you wish upon a star  
If you wish upon a star

It doesn't matter who you are  
It doesn't matter where you are  
If you wish upon a star  
If you wish upon a star

It doesn't matter who you are  
It doesn't matter where you are  
If you wish upon a star  
If you wish upon a star
