

Steve Miller, Dance Dance Dance

(E.Anderl)

A week's too long not to ring
re colours her hair
and waits for him
no cat against dog
just head over heels
sex twice a date
best time in years
oh no why hasn't he phoned
she has to wait
until he's on his own
lying and denying
so no body knows
I'll tell her this week
is what he tells her
to keep her on loan
he'll by her one day
sex drives oral highs
cheated wives and spies
cream cakes coffee dates
floral gifts
goodbye passed away
for the day
had a change of kind sex
changes too mundane
for the average mind
oh no she just can't see
where he is
or where he's been
looked prim and straight
like she's always been
all that she saved for
went missing again
she could be wrong
it looks like
the world got around
they found a body
in the lake
maybe it wasn't really his name
same colour same weight same size feet
it's the not knowing
that kills you
oh no the clocks stopped slow
everytime you're on your own
ya' hide from the spies
so nobody knows
scratch through the pages
of the lazy days news
for a clue still looking for
you!
