

Steve Perry, For The Love Of Strange Medicine

(Perry)

Somewhere in the inside
All along the road
Lady luck has fallen
Now the truth unfolds
Rolling dice remember
What promises regret
Helps me to remember
Helps me to forget

Some are believers
Some don't know (some are lost)
They're lost and alone
Some are deceivers
Their souls been sold (for the love)
For the love of strange medicine

Far inside the dark room
Behind all the walls
Underneath the concrete
Heaven starts to fall
Walkin' on the sidewalks
Red lights turn to blue
Somewhere in the darkness
Standing there is you

Some are believers
Some don't know (some are lost)
They're lost and alone
Some are deceivers
Their souls been sold (for the love)
All for the love
Some are lost (Some are lost)
Lost and alone
All for the love of strange medicine, we're lost

Some are believers
Some don't know (some are lost)
We're lost and alone
Some are deceivers
Their souls been sold (for the love)
All for the love
Some are lost (for the love)
Some are lost
