

Steve Perry, I Believe

(Perry, Goodrum)

If you feel love's an illusion
I won't hold you down
Do you feel you're lost in confusion
With no hope to be found

Stop before you start believin'
That all our hope is gone
Cause I know there's a reason
To why we're holdin' on

And when you walked into my life, I realized
Oh, no one else took me by surprise

(I believe) I believe you
(You want it too) Oh, you want it
(You'll know the way) Know the way
Yes, the way I feel and I care
(Someday) Oh yes I care
(Know the truth) I believe
(I believe) I believe in me and you

It's a strange situation
We can work it out
With love's blind determination
There can be no doubt

Well I know there's a solution
Right here in our hands
Then the lonely, lonely hours we've wasted
Won't be back again

And when you walked into my life I realized
No one else took me by surprise, I believe

(I believe) I believe you
(You want it too) Oh, you want it
(You'll know the way) Know the way
Yes, the way I feel and I care
(Someday) Oh yes I care
(Know the truth) I believe
(I believe) I believe in me and you
