

# Steve Perry, I Believe

(Perry, Goodrum)

If you feel love's an illusion  
I won't hold you down  
Do you feel you're lost in confusion  
With no hope to be found

Stop before you start believin'  
That all our hope is gone  
Cause I know there's a reason  
To why we're holdin' on

And when you walked into my life, I realized  
Oh, no one else took me by surprise

(I believe) I believe you  
(You want it too) Oh, you want it  
(You'll know the way) Know the way  
Yes, the way I feel and I care  
(Someday) Oh yes I care  
(Know the truth) I believe  
(I believe) I believe in me and you

It's a strange situation  
We can work it out  
With love's blind determination  
There can be no doubt

Well I know there's a solution  
Right here in our hands  
Then the lonely, lonely hours we've wasted  
Won't be back again

And when you walked into my life I realized  
No one else took me by surprise, I believe

(I believe) I believe you  
(You want it too) Oh, you want it  
(You'll know the way) Know the way  
Yes, the way I feel and I care  
(Someday) Oh yes I care  
(Know the truth) I believe  
(I believe) I believe in me and you
