

# Steve Wariner, Some Fools Never Learn

All my friends say, I should leave you alone  
You've got a heart like a stone, And a wonderin' eye  
And I know that they're right  
I can make up my mind, Not to see you again,  
But you move through my dreams like the wind,  
It's no good to pretend, It won't happen again,  
Cause it'll happen again.

Some fools never learn  
Play with the fire,  
And your gonna get burned  
It's only love when your loved in return  
Some fools never learn.  
Some fools never learn.

And baby I tried, But I'm just not that strong,  
Yes, I knew all along, But that's not enough  
I was falling in love  
And you don't know it, But I came over tonight,  
There was somebody's car parked outside  
Damn my eyes, Damn this heart of mine  
I drove off into the night.

Some fools never learn.  
Play with the fire,  
And your gonna get burned  
It's only love when your loved in return  
Some fools never learn.  
Some fools never learn.

Somewhere in the city tonight,  
There's a girl and she's lonely like me,  
She'll be easy to see  
And naturally, She'll have that look in her eyes,  
She'll be feeling that way  
I see it all plain as day  
Oh, I'll never be, what she wants me to be  
Oh, but lucky for me.

Some fools never learn  
Play with the fire,  
And your gonna get burned  
It's only love when your loved in return  
Some fools never learn.

Some fools never learn.  
Some fools never learn...
