

# Steve Winwood, Dimples

Walk that walk  
Yeah, talk that talk  
Won't you walk that walk  
You're my babe,  
I got my eyes on you

You got dimples in your jaw  
You got dimples in your jaw  
You got dimples in your jaw  
You're my babe, I got my eyes on you

I love to see you switch  
Saunter up and down the floor  
Yeah, I love to see you switch  
You're my babe, I got my eyes on you

You got dimples in your jaw  
Etc.
