

Steve Winwood, I Can't Stand It

I can't stand the pain of love
When you get all the love
I can't stand the pain of life
I can't even stand the shock.
But when I hear you say
That you will go away
And leave me someday

I can't stand it
I can't stand it
I can't stand it
I can't stand it

When you stand close to me
You make me kind of weak
And when you hold me tight
My poor heart skips a beat
And when I hear you say
That you will go away

And leave me someday

I can't stand it (etc)

When you're standin' close to me
You make me kinda weak
And when you hold me tight
My poor heart skips a beat
And when I hear you say
That you will go away
And leave me someday

I can't stand it (etc)
(I can't stand it) oh I can't stand it
(I can't stand it) kiss me baby
(I can't stand it) oh oh oh oh oh
(I can't stand it) oh when you hurt me baby
(I can't stand it) oh when you kiss me baby
(I can't stand it) oh oh oh oh oh fade
