

# Steve Winwood, Night Time Is The Right Time

You know the night time is the right time, darling  
You know, to be with the one you love  
I said the night time, oh, is the right time  
You know, to be, baby, with the one you love  
Squeeze me, squeeze me, please, I want you, baby

Oh, the night time is the right time  
Gotta be with the one you love  
Oh, the night time, babe, is the right time  
You know, to be with the one you love

Squeeze me, babe, [? ] squeeze me one more time  
Oh yeah! oh yeah! oh yeah!

Oh, the night time, I said it's the right time  
Oh, you know, baby, to be with the one you love  
Oh, the night time, darling, is the right time  
Oh, just to be with the one you love  
Squeeze me, oh baby baby, c'mon, baby, please  
Squeeze me, girl, I said one more time
