

# Steve Winwood, Put On Your Dancing Shoes

So much going on out there, leaves us hanging in the air  
And it's all that we can do to face each day and see it though  
Life's a dance, put on your dancing shoes, take a chance

You can't shut your eyes to pain, faces crying in the rain  
You can't keep it all inside, you need some way to let it ride  
Life's a dance, put on your dancing shoes, take a chance

When you're all over, when you know you've done all that you can do  
Put on your dancing shoes, it'll see you through

Voices shouting in the street, life lived to a ragged beat  
Someone's world is tumbling down, and who's the saint and where's the clown?  
Life's a dance, put on your dancing shoes, take a chance

When you're all over, when you know you've done all that you can do  
Put on your dancing shoes, it'll see you through  
When time is flying, when you know there's no end to these modern blues  
Put on your dancing shoes, it'll see you through
