

Steve Winwood, While You See A Chance

Stand up in a clear blue morning
Until you see what can be
Alone in a cold day dawning
Are you still free
Can you be

When some cold tomorrow finds you
When some sad old dream reminds you
How the endless road unwinds you
While you see a chance take it
Find romance, fake it
Because it's all on you

Don't you know by now
No one gives you anything
Don't you wonder how you keep on moving
One more day
Your way
Ooooooooooh, your way

[Instrumental Interlude]

When there's no one left to leave you
Even you don't quite believe you
That's when nothing can deceive you
While you see a chance take it
Find romance, fake it
Because it's all on you

Stand up in a clear blue morning
Until you see
What can be
Alone in a cold day dawning
Are you still free
Can you be

[Instrumental Interlude]

And that old gray wind is blowing
And there's nothing left worth knowing
And it's time you should be going

While you see a chance take it
Find romance
While you see a chance take it
Find romance
While you see a chance take it
Find romance
While you see a chance take it
Find romance
While you see a chance take it
Find romance
