

# Steve Winwood, Winner/Loser

Sometimes I think I'm losing  
Then again I think I win  
I don't want to think at all of hope

It could be better for me  
If I win or I give in  
It could be better for you  
If I lose everything  
It could be better for you  
If I lose or you give in  
It could be better for me  
If you lose everything

When you win sometimes you lose  
All that you had when you lose  
It could be better for me  
If I win or give in  
It could be better for you  
If you lose or give in

When win, when you lose  
I don't know who to choose  
Winner lose  
Loser win  
Winner lose  
Loser win
