

Steven Curtis Chapman, Always Before Me

(Steven Curtis Chapman and Charlie Peacock)

Always before me
I set You O Lord
Always before me
To love and adore
Lord, may all else
Be consumed in the view
And may it be you
Alone that I see
As I set You
Always before me

[Repeat]

As I set You
Always before me
As I set You
Always before me
My heart is glad
And I sing Your praises
I know Your peace
And my rest is found in You

Always before me
I set You O Lord
Always before me
To love and adore
Lord, may all else
Be consumed in the view
And may it be you
Alone that I see
As I set You
Always before me
As I set You
Always before me
