Stevie Nicks, At Last

At last my love has come along my lonely days over and life is like a song

At last the skies above are blue well my heart was wrapped up in clover the night I looked at you

I found a dream that I could speak to a dream that I could call my own I found a thrill to press my cheek to a thrill that I have never known

well

You smile you smile oh and then the spell was cast and here we are in heaven for you are mine at last

I found a dream that I could speak to a dream that I could call my own I found a thrill to press my cheek to a thrill that I have never known

well

You smile you smile oh and then the spell was cast and here we are in heaven for you are mine at last

ooo yea you are mine you are mine at last at last at last at last
