

# Stevie Nicks, I Need To Know

Talk on the town says I might go solo  
A good friend of mine saw you leavin' by your back door

(Chorus)

I need to know I need to know  
Well if you say you're gonna leave then you better say so  
I need to know I need to know  
Because I don't know how long  
Well I can hold on  
If you're makin' me wait  
And you're leadin' me on  
Ooh I need to know

I need to know

Who would've thought that I'd fall for his lies  
All of a sudden it's me on the outside

(Chorus), guitar solo, (chorus)

"Take your violet and blue mornings with you!"
