

# Stevie Nicks, Leather & Lace

Is love so fragile...  
And the heart so hollow  
Shatter with words...  
Impossible to follow  
You're saying I'm fragile... I try not to be  
I search only... for something I can't see

I have my own life... and I am stronger  
Than you know  
But I carry this feeling  
When you walked into my house  
That you won't be walking out the door  
Still I carry this feeling  
When you walked into my house  
That you won't be walking out the door

Lovers forever... face to face  
My city, your mountains  
Stay with me stay  
I need you to love me  
I need you today  
Give to me your leather...  
Take from me... my lace

You in the moonlight  
With your sleepy eyes  
Could you ever love a man like me  
And you were right  
When I walked into your house  
I knew I'd never want to leave  
Sometimes I'm a strong man  
Sometimes cold and scared  
And sometimes I cry  
But that time I saw you  
I knew with you to light my nights  
Somehow I'd get by  
First time I saw you  
I knew with you to light my nights  
Somehow I would get by

Lovers forever... face to face  
My city, your mountains  
Stay with me stay  
I need you to love me  
I need you today  
Give to me your leather...  
Take from me... my lace

Lovers forever... face to face  
My city, your mountains  
Stay with me stay  
I need you to love me  
I need you to stay  
Give to me your leather  
Take from me... my lace  
Take from me... my lace  
Take from me... my lace
